

**#5 –I, by paying tribute per, and for you; my Father who is only One with
me... has done it, too. This is the religion of the
Heart, of a God of Love**

[180331] – HOLY FRIDAY – SACRIFICE OF THE FATHER, AND OF THE SON for your salvation.

–The Son is in the Father, and the Father is in the Son; and being I, among you, I pay tribute for you, and per you. So my Father, who is only One with me... has done it too.

The sacrifice of a Father, through the Son; and of the Son through, a Father,
has been delivered, and given to you.

Not only has been, a body on Earth given...
but the *Heart* of a God of Love.

Be then, in your knowledge, and in your Eternal Truth, to realize that not only have been a body and his blood on Earth... but a God of Love, that has offered Himself –His body and His blood– for your salvation.

All the power of a God, has been given for your salvation!

All His *Heart*, and His Love, has been placed for you... per you!

What can you get, bigger than that?

Indeed, God himself has been bestowed, in Love for you!

You can look at it, this way, in this third period of times; because not in the first, nor in the second period... could be seen this way.

You are sane and saved, you are forgiven; but remember that darkness does not know that word. –Darkness is not part of yours, it is part of this world.

You are a warrior, and a soldier of my Father.

When you take the arms of Light; when you take the shield of God's Love;

When you join the army of my Father, and you join yourself to Love...

my Father, can not see you in justice anymore¹.

JUST BALANCE. – With the stick you measure others, you shall be measured.

If you do not judge, you shall not be judged; if you do not condemn,
you shall not be condemned; if you do not curse, you shall not be cursed;

If you forgive, you shall be forgiven.

¹ «See in justice» by the Father, means that He sees the darkness One carries. And for this reason, it is the one that controls our actions and words. And the son of God –that *Being* that He created in Light– is «subdued». One has forgotten one's Divine origin, and has forgotten the Father. So that «oblivion» of God, is death (not, as One knows it). One lives for darkness; One has died, or One is «absent in the Light»

I have come to teach you, THE RELIGION OF THE HEART, OF A GOD OF LOVE,
because many are the powers of my Father.
Your material mind can not discern correctly, what a God of Love is;
but One can feel Him. You can feel my Love and my sacrifice for you...
For each one of you!

I cry out onto your Soul, and onto your Heart: «stop turning towards darkness;
stop expecting from this world. Do what you have to do;
do it with all your Love and all your Faith... at these instants, blessed humanity».

Do you remember, at those times and ages... my self-giving, my martyrdom?
That suffering that may seem small; in Spirit and Truth, embraces all times and ages.
Everything you have been able to do –materially speaking, in this world:
all that of what you are judged, and condemned for.
All that: every tear, every word, every offense.
Every part that I suffered in body, in Soul, in mind... all that in just payment for you,
truly and certainly –with Love, I have conveyed.

But, the lure of your salvation, of your Redemption – and of the hope of my Lord,
to come, to this third period of times, to deliver to you
THE CATHEDRA OF MY TRUTH – that is the Cathedra of the Holy Spirit;
that is my Truth, given to men.

Of the Divine power that lies in you... ask to me, for the Holy Spirit... and I shall grant it.
I will give and renovate, your holy garments.

Your Soul and your Spirit shall be revested of Light, and of merriment.
All your misfortunes – all that of what you blamed yourself for; of what darkness,
and the world accuse you of, in the times and the ages.

I tell you that all that, is DUST OF THE GROUND, AND NOTHING ELSE.
How many big troubles you put in front of you! And I tell you:
dust of the ground, and nothing else.

—At these instants, the angel of what you call «death»— in fact, she is
the Angel of the Eternal Life: your sister *Alice of the Fields of the Lord*— descends toward you,
as she descended towards me.

Close your pupils humanity, and see and contemplate, that all there is in this world
... is dust of the ground, and nothing else.

Spiritual School "Luz de Nueva Aurora"

Now, put in your hands, all of what you have; all what you are... what you believe to Be.

Put all your troubles; put them in front of you... and that is nothing when this Angel descends toward you, and takes you off guard. And takes you of this life, as she has done it many times, to lead you to Eternity; to the salvation; or to a new life, where you will have the opportunity to start again.

How big are the things, you have in this world?

–They are dust of the ground: all those obstacles that you put, absolutely all of them!
... are dust of the ground, and nothing else.

What will you take, from the face of the Earth?

You will take nothing – only what you have written in your *TRUE BOOK*
(what you write every day with letters, to a certain point, counts in your book²)

–When you give a word of encouragement to your brother, of hope, of Faith; when you thank your Lord; when you love your brother and fellow being, when you love yourself.

When you contemplate that all the troubles of the world, are dust of the ground; and that it is, something you have to solve, when it is at your reach; because the path you have taken, has led you to face it; since You are the Warrior, and the soldier of God!

You are the One, that is my Father's hand!

You are that judge that comes to judge, and to condemn darkness.

You are the son of God, who manifest the Greatness of a God, in the world.
It is true, you have an instrument, that is not perfect; as it can be used by darkness as well...
when you do not remind it, that you are the shepherd.

Only remember: I did not send you to the world to be a saint, to be perfect.
–Holiness is of your God; perfection if of your God – it is a perfection of pure Light:
of blessing, goodness, Love; of justice.

Your God's justice is balance, and harmony of all the gifts, graces and virtues;
of all your God's power.

The «injustice» is contrary to all that, and it is what, many times, your material body and mind, want to carry out, on the face of the Earth.

They think: «to do justice», is to punish. That is what darkness does; not your God.
Little ones, leave those old books that teach you, that the Father, is avenging and vengeful.

² This refers to the material actions, based in the Light. The book is being written by the Soul/Spirit; and if indeed, they are the guides of the matter, these actions will have more weight (the matter turns submissive, it has turned to the path of the Light, guided by its Shepherd)

THE GREAT SERPENT, HAS POISONED YOUR TEMPLE. Many times, you say to love me, and still bigger of a lie, because truly and certainly, you curse your brothers and fellow beings –not knowing that they are only One with me.

Thereupon, you curse your God. But I know that you are NOT, the one.

It is the darkness that tries to deceive you, tries to stray you.

I have come to you, not for you to get lost in this world, with vanities or lies, or deceptions.

I have come to teach you the grand religion of my father,

THE GRAND CONGREGATIONS OF YOUS.

I have come to give you the Oneness, the Grace and the Alliance with my Father

... because that is what you are.

When you are Unified... your God is with you.

Oh! Blessed People of my Father... listen to the words of your God and your Lord; because they are Truth and Life in your inner self, in your Eternal Truth.

You are the son of the Highest, and my Father waits and awaits for you; but the serpent is there. It has poisoned the most sacred... that is your temple, your church, your apostleship³.

But in you, is the power and the strength to root out this poison, from the entrails of your Holy Mother Church, of your temple, of your school, of your apostleship.

–The Holy Mother Church, are those Souls that are found in the different religions, in the different creeds –and that only, seek the path of Love–

Thus, may my blood be poured out, among you, and for you; for Love and in Love.

That the angel of mercy be upon you; that the seven angels of my Father take care of, protect and watch over this temple –keeper and Light of my Father, God and Lord.

I give you a new and clean school; a temple full of prayer and blessing.

Bless the wall in Oneness; protect all, in sanctity and in Love.

That is to say: «being you, yourselves, the sons of God who sanctify the temple and the church; the waters and the balms. Being yourselves, the ones who sanctify your brothers and fellow beings –giving them all that is required, to raise them.

Anoint them, yourselves in Love, in health, in prosperity, in abundance».

Every time you do that, you do it to me; because truly and certainly,

I will tell it to you, when you are before me:

³ That poison has penetrated in One's temple, in One's congregation; in One's purpose, [that is] to follow Jesus

«Come forward, my Father's blessed one; because all that you have done to my brother,
you have done it to me, and you have done it, to yourself.

Be blessed forever, because you carry all my Love with you, and my blessing.

And I will make a tattoo of Light in you, for the providence to be with you...
every instant of your life».

But, if you would say: «Lord, I did great things on Earth, I conveyed a lot,
and I have done a lot».

I will tell you: «truly and certainly, I do not know you; because when I asked you,
when I needed you; you did not give me, not even water to drink».

You may ask: «Father, but when did I do that? »

And I will tell you: «when you denied it, to your brothers and fellow beings».

CHALICE OF BITTERNESS. - On this blessed day of grace, I have come to you,
to give of this chalice. I have given you a drop of the bitterness;
and in Spirit and in Truth, you have suffered, and been in pain.

I give you of the chalice of this Eternal Truth. Be aware that your God is with you, in your
acts and deeds of Light, in Spirit and in Truth. And in material flesh and mind, because all of
what you manifest of your Spirit, towards the matter, is a great achievement
of your God, and your Lord. It is manifestation, of a Father of Love.

Be aware of your Spiritual development. Wait and await:

Be conscious that you are walking in a path that leads to Spirituality.

That this temple, this school opens its doors and windows to the Light;
and close them to darkness.

If truly and certainly, your desire is to go ahead –the doors and the path are open.

But if you seek the material... go to the world.

Go to enrich yourself, go and strengthen yourself in it, go and stray in it.

Because my Father does not demand that you walk by a path of Light;
but your inner self, will demand it.

And you will come back to this door, and will knock for the first, second and third time;
and these doors will open for you; and you will find what was always in them:
your health, your Love, your prosperity and abundance –Spiritually and materially.

Each of you is different in appearance; but you are only One in my Father.

Do not change your inner self... Aggrandize it!

I have told you that Light was made to be shown; then, Be what You Are;
show it to the world! Be smart, for all of that.

Help your fallen brothers, because they can not raise by themselves.

Spiritual School "Luz de Nueva Aurora"
Universal Masters. Lectures from the Heart of God: Jesus

Do not be stubborn: when you are running –you want the others to run
when they can not even move!
Teach them to walk; help them, raise them from the ground, and walk with them
–shoulder to shoulder– so they raise, and walk.
So, one day, they run at your side, as blessed lambs that go towards the Father's lap.
Then, I will tell you: «my son, you have done my Will» Then, I will tell you:
«my son, you have filled the cup of your God, and your Lord, of pleasant and abundant wine,
that overflows, in an infinite abundance».
Indeed, you do not come to the world to try; you come to the world to «Be».
You come to the world to manifest yourself, and be only One with your God.
Every nail has cost much pain... the side pierced by the spear...
But my Love is for you; and in it, the repentance –not of what you have done,
but all of what you have NOT done.
Not of what has hurt you, wounded you; but of what you
have not wanted to manifest, and Be.
What are you afraid of, indeed; if nothing of this world is yours?
If nothing of what you have, you will take?
Why do you remain silent? If truly and certainly, nothing of this world is Truth.
E.T. – Many formed religions and more religions, narratives
and more narratives –when the essence was pure and crystal clear.
Today, your mind has changed, and your belief is different.
But you start to believe in those worlds of the skies, of the stars;
when all of them seek the Truth... just, as you do:
in different forms; in different dimensions, worlds, skies and universes.
Different energies and Beings, they are –in comparison from you.
But all of them, seek a perfection.
They seek for God! Though, some others are immersed in darkness.
Let not the mind of darkness deceive you. Remember the paternity that I have given you.
Remember that you are only One with the Highest, and in that pure, and true essence
... you will find the Truth of all your Being; of your manifestation,
of your labor, on the face of the Earth.
MASTERY/CONGREGATION. – I have told you that there is Mastery, in each of you;
you manifest a Unique Light – your Mastery, the faculty of your Being.

Spiritual School "Luz de Nueva Aurora"
Universal Masters. Lectures from the Heart of God: Jesus

There are geniuses, sage men, that have a Mastery in knowledge and in Truth
–in all branches, and forms. All those manifest to the world, and are likely
to form great things for humanity –for darkness not to be so dense, on Earth.
But, if you do not make an effort to help them, to protect them, to raise them from the
ground; and you teach them to move, to walk; you take them shoulder to shoulder,
to run with them, later on –that Mastery will be lost...
because darkness knows, that it can turn you into *vanity*.
Help and protect yourselves, one another, in Spirit and in Truth; in worldly mind and body.
Many of your brothers immersed in misery and in pain, in failure and in lie, are
– since darkness enrages against them. And it knows that it can lose you; it knows that,
that brother is not going to help you... because you have not helped him.
And it can lose him, filling you with ignorance, vanity and falseness.
It makes you look with pride and vanity, and say:
«Why shall I help him, hold him up, give him?»
«Why should I take him by the hand; raise him from the ground,
and teach him to walk, and go shoulder to shoulder, with him?»
«Why should I run at his side, if we are not related? »
Can't you realize that you all form a GREAT CROWN OF UNION, GRACE AND ALLIANCE?
It has precious stones: diamonds, pearls of unique and beautiful forms.
Formed as only One. Forged in a single crucible: the one of my Heart and of my Love
–because it is of my Fathers; formed with the fire of my Heart,
but also, with the fire of yours, blessed humanity.
If all the Masteries of yours, get together; they will triumph and form, this Great Crown.
But if you let that stone get lost, your Crown will never have that stone
... your Crown will be missing, something.
–Consider if in Spirit and in Truth, something imperfect, can be conveyed–
That precious stone will come back again and again, until your brothers,
become only One, with Him.
And you can say: «I am solid gold, and form the base of the Crown –I support everything».
But the Crown has pearls, diamonds, that can not be hold by themselves.
They have to be supported by the gold, that forms the Crown.
The precious stone can not be hold aloft;
it must be part of the same Crown, and only One with it.

Spiritual School "Luz de Nueva Aurora"
Universal Masters. Lectures from the Heart of God: Jesus

When it starts to shine –to glow– it gives total shininess to the Great Crown of my Father.
Then the gold – it is not gold anymore, and only that ... everything turns Crown of God.

Then, it turns, the *Unique and precious Gift* of my Father!

Comprehend my words. You have a temple, a school; and indeed, you have this Great Scale.

And here, the Crown is –to form itself with your acts and deeds

... with your Spiritual and material manifestation.

Now, I tell you: I am with you every instant of your life. I have given you the teaching;

I have given you my Heart, my blood and my flesh.

My suffering has been conveyed... and your Lord's suffering.

There is no greater payment for you... there is not, blessed ones!

Thus, there is No way that you can be corrupted... but you can be deceived.

Today, I BAPTIZE YOU IN HOLY SPIRIT; in the Eternal fire of my Father.

Each one of you –present and absent– has been invited to the Father's lap

... that in penitence He remains, along with the beloved Son.

Blessed humanity, that you have received me in the heart; that you have received me

in the flesh –remember that many times –indeed– the words carry a sift.

Many will come, and would like to scrutinize the scriptures –into the word of your God–

looking for imperfection. But the imperfection is, of the flesh;

it is of all the matters, of yours (each one of you, is formed differently).

Leave everything behind, also the flood of words. Teach those men and women,

to listen with their heart; to listen with their Eternal Truth, to scrutinize with their Truth.

Blessed be, beloved Peter, that you hold this Grand Standard on your right hand –to show to the crowds the path to follow... But, stand at the top... and wave this Standard of Light.

Cry out to your brothers, and fellow beings, to the entire people of God!

for them to come and gather and congregate, in the house of their God

–in this great Tree of Life, that my Father gives you, for your protection.

Your Faith has saved you, my Peter. But I tell you: “You are rock, and upon you, the church of my Father lies”, as in all my Peters alike. Each one of them form a temple, and a church.

They will take my word through the ways and paths, because each one of them

is force and strength of this temple, of this place.

Raise your sword –consecrated diamond of my Father.

I give you, the *Sacred Scriptures* under custody.

I place upon you this garland, and this standard... take from the fruit!

Little blessed ones, certainly I tell you, that my love is with you.

I have defied the logic of your flesh, and of your mind –your apparent reason.

Spiritual School "Luz de Nueva Aurora"
Universal Masters. Lectures from the Heart of God: Jesus

Because the reason, is not but the obstacle, that you will have to remove
–with the power of your Faith– to be able to manifest yourself, as You Are.
I have defied the logic of your flesh, and of your mind, through material Words
–at your form, at your way, at your material understanding.
So, that with these Words, you know that your God loves you; for you to crumble
“the reason” of this material world –that is nothing else than darkness; that is nothing else
than a barrier, that keeps you from seeing the Truth, of your God.
I have told you of my sacrifice, of my conveyance –«cause» in this good and evil world–
Law of Cause and Effect, that rules you earthly.
I have delivered to you, in your form and way –so your reason,
being defied, give up, before your Lord.
Now it is your turn! With your Faith, crumble what remains, still ... and raise yourself.
The troubles in this world are big, but all of them, are dust of the ground, and nothing else:
great wars in this world; earthquakes, cataclysms; hatreds, grudges, envies, curses,
evil and darkness, everywhere...
However, you go all over... You are the Light of the world!
All that is good and evil; it is only darkness, that wants to terrify and deceive you,
making you, a prisoner of this world.
Come back to your Truth! Come back to your Eternal Truth, Be One with my Father!
You are forgiven, and you are blessed! Do not carry books, and useless burdens!
Do not be stubborn, and leave –give up– what has always, had you tied, to this
earthly world; and that does not let you transcend –not even think in your Eternal Truth
... because all the troubles, come upon you!
But, you have the solution: The Oneness, with my Father.
–I am already with you. What you are missing now is: to join, congregate;
be in the grace of my Father. –How can grace, be achieved?
Being in Oneness with my Father; remembering your Divinity; remembering your Truth
– Being Your Self. Despite your matter, that tells you: No! It tells you, that you are death,
and darkness. While your Soul, your Spirit, tell you, that you are Eternal.
Enough! little blessed ones. –That the sacrifice of the Love of all Loves;
that the sacrifice of a Father –is Greatness in you... for you,
to turn to your Father’s home – because He is waiting and awaiting.
And it is not a time on Earth, No!

Spiritual School "Luz de Nueva Aurora"

They are not thousands of years, in the skies, in the stars.

They are not millions of years, in the suns!

... *It is Eternity, in my Father!*

Why do you want to remain, in this world; in this universe of good and evil?

That deceives you; that overwhelms you with religions, and more religions.

–The religion... is your God, your Truth, itself.

That is the Greatness of the Holy Spirit –and must be the Greatness of your
Spiritualists churches, because for the Spirit, these churches, were made.

But darkness –neither early, neither late– fights to change the things, indeed.

And to take them to the obscurantism; to darkness, to evil.

Raise yourself, in truth, as the son of God, that you are.

Today, I give you the arms, the weapons. I re-vest you.

Today, I have given you the power, to *Be Your Self*.

Today, I have given you the power, of the salvation.

–Here it is, take it! It is yours. It belongs to you, by heritage.

I have given it to you, with all my Love, and my Heart

... until another aubade, little blessed ones.
